NIRMAN
ACADEMY

Nirman Academy

Nirman Academy, a pioneering educational entity aligned with the Nirman brand, is dedicated to shaping individuals into impeccably skilled professionals. Rooted in a dynamic ethos of continuous innovation, our methodologies are not just about theories but about tangible results, drawn from

About the Course

Our Diploma in Interior Design course at Nirman Academy is a bespoke journey that encompasses all facets of design brilliance. From mastering fundamental design ideas and principles to honing practical awareness, delving into software proficiency, fostering professional development, and engaging in language and life skill programs our exclusive course is a comprehensive odyssey. We don't just shape designers; we forge perfect professionals enriched with academic, professional, and industry expertise, coupled with essential human qualities. Our students are not only adept at navigating the latest technologies, material awareness, and the use of artificial intelligence, but they emerge as visionaries in the dynamic field of interior design.

rigorous research studies and perpetually refined approaches. Committed to fostering a professional education environment of unparalleled quality and challenge, our official procedures are meticulously crafted to seamlessly align with these lofty aspirations.

Summary

This comprehensive 2-semester program delves into crucial subjects including elements and principles of interior design and its practices, interior materials and finishes, building services and integration, drawing and graphic studio practical, computer aided design studio practical, interior space design studio practical and practical internship.

Our commitment to fostering excellence extends beyond traditional education. The course instills in students the art and science of interior design, preparing them for a career marked by creativity, precision, and innovation.

Emphasizing hands-on learning, the curriculum integrates practical experiences such as internships, allowing learners to apply theoretical knowledge in real-world scenarios. As a testament to their growth and achievements, all learners compile project portfolios and work files, showcasing their evolution as design professionals.

Nirman Academy distinguishes itself by imparting proficiency in major design software tools, including AutoCAD, 3Ds Max, SketchUp, Revit Architecture, InDesign, Enscape, Vray, Lumion, Corona, and Photoshop renders. These technical skills, coupled with a solid foundation in design principles, make our graduates not only proficient but also versatile contributors to the design community.

Our Exclusives

- Job Oriented Training for Enhanced Professionalism
- Modules using Latest Technology
- Performance Evaluation with Targeted Remedies
- Individualized Attention
- Transparent Communication with Guardians
- Industry-Driven Curriculum
- Expert's Visits, Workshops and Seminars
- Exclusive events and Celebrations
- Language and Life Skill, Presentation Programmes
- Professional Explorations and Industrial Visits
- Campus Interviews, Job Hunting and Placement Cell Assistance

Why Choose Us

WHAT YOU LEARN:

Basic knowledge for any sector

- Industry-informed
- Interdisciplinary, including strategy and execution

HOW YOU LEARN:

Innovative and supportive learning

- 100% digital classroom, AI Integrated
- Personalized support from Enrolment Advisors, Student Support and Faculty

HOW YOU NETWORK:

Opportunities to connect

- Career Advisor Network
- Placement Opportunities
